

Safeguard Policy Statement

ICONIC CLEANING composed this document in order to ensure, safety of children, young and vulnerable adults, which will be accompanied by ICONIC CLEANING employees and will be nurtured within the company by the senior management.

Objective of introducing a safeguard policy is to implement safety procedures and develop the welfare of staff in the working premises.

Employees of ICONIC CLEANING are at risk during some of the work processes relating to residential, commercial, educational and medical fields while performing professional and personalised cleaning including daily office cleaning ,industrial and warehouse cleaning, glass and window cleaning ,domestic cleaning and all other services provided by the company.

Children, young and vulnerable adults will not be exposed directly during our working course except during daytime cleaning at commercial and educational sites.
